How to source or enquire about an item(s)

First, check out the BEE “shop” and if you see what you want, simply click the “Request” button. Once we have checked availability and confirmed the item is still available*, an exchange will be arranged. If a particular item is not currently visible on the “shop”, please complete and submit an Enquiry Form ([insert link](#)). We will do our best to source the item and notify you as soon as it becomes available before arranging the exchange.
